

CAPABILITY STATEMENT

ABOUT DDCues LLC

DDCues is a **Service-Disabled Veteran-Owned Small Business** founded in 2014, headquartered in West Point, NY. We are a national risk management firm dedicated to protecting people, securing infrastructure, and defending the Nation. Our leadership team brings decades of expertise from special operations, intelligence, law enforcement, and public service, including the former commander of Delta Force and the former director of the Defense Intelligence Agency. This experience, combined with private-sector expertise in industries like financial services and oil and gas, position us to tackle the most complex and sensitive security challenges.

We specialize in custom security solutions, including physical security measures like access control systems, surveillance, and executive protection teams. Our extensive experience spans securing retail locations, construction sites, industrial facilities, and major events, ensuring clients can stay focused on what matters most.
